The Emmy Award submissions, which totaled 824 this year, were broadcast between January 1 and December 31, 2007 and judged by panels assembled by Academy Chapters in Chicago/Midwest, Heartland, Lone Star, Lower Great Lakes (Cleveland), Mid-Atlantic,

Pacific Southwest, and Suncoast.

The Awards Committee reviewed the unidentified totals prepared by the accounting firm of Lively, Ostrye & Worch, P.C. for the purpose of determining the number of awards to be given. Based on the scores, the Awards Committee determined the Emmy nominations and awardees. The Emmy Award recognizes excellence; therefore, in each category, one award, more than one award, or no award may be given.

The National Capital Chesapeake Bay Chapter of the National Academy of Television Arts and Sciences was established in 1958-59 and is an organization comprised of more than 700 television broadcast professionals dedicated to fostering and recognizing outstanding achievements in television production throughout the National Capital Chesapeake Bay region.
