Board of Governors Award

The Board of Governors Award reaches beyond those usually awarded for television news and production by recognizing achievements by individuals, organizations or companies in community service or other worthwhile endeavors within the National Capital Chesapeake Bay's region. Historically, the Board of Governors Award is presented for truly outstanding achievement and unique accomplishment of some duration and durability. This year, the award will be presented to Andrea Roane, co-anchor of WUSA 9 News from 4:25 AM to 7:00 AM. Ms. Roane has been with WUSA 9 since 1981.
