The Emmy Award submissions, which totaled 825 this year, were broadcast between January 1 and December 31, 2013 and judged online by panels assembled by Academy Chapters in Mid-America, Mid-Atlantic, Northwest, Ohio Valley, Pacific Southwest, San Francisco/Northern California, Suncoast and Upper Midwest.

The Awards Committee reviewed the unidentified totals prepared by the accounting firm of Lively, Ostrye & Worch, P.C. for the purpose of determining the number of awards to be given. Based on the scores, the Awards Committee determined the Emmy nominations and awardees. The Emmy Award recognizes excellence; therefore, in each category, one award, more than one award, or no award may be given.

The National Capital Chesapeake Bay Chapter of the National Academy of Television Arts and Sciences was established in 1958-59 and is an organization comprised of more than 800 television broadcast professionals dedicated to fostering and recognizing outstanding achievements in television production throughout the National Capital Chesapeake Bay region.
